Introducing Ourselves

DAV College represents a confluence of the conventional with the current, the traditional with the truly modern. Dedicated to the sacred memory of Swami Dayanand Saraswati, the college has kept alive its commitment to the cause of higher education for the upliftment of the region as a whole irrespective of the distinctions of caste, color and creed. The latest innovations in the field of Info-tech. Bio-Tech and related subjects have been incorporated in tune with the changing scenario. "No man is an island unto himself" in the world of today. We are living in a "global village" thanks to communication technology. Hence our avowed aim is to create a progressive and creative model of life-long learning, teaching, evaluation and research which is totally in gear with the needs of industry, commerce and public sector, which is sensitive to Regional, National and International needs and aspirations, which reflects a strong commitment to holistic excellence, and which is in perfect rhythm with the Vedic wisdom and the modern scientific temper.

Blessed by the missionary zeal and visionary approach of his founding fathers, the college is constantly evolving, improving and updating itself to be one-up against the challenges of the swiftly changing world environment. With rapid advancement in the economical and technological landscapes, it has become imperative for us to acquire new ways of thinking and new concept of perceiving reality. We, at DAV Jalandhar, have taken up the challenge and have already adjusted to the shifting paradigm. The institution now boasts of massive infrastructure that include spacious and well-equipped lecture theaters, well-stocked library with DELNET Connection, hi-technology labs supplemented with dedicated leased line internet connection.
