

13th May 2017 may be just another day but for DAV College, Jalandhar it's a day of historic significance clocking the beginning of the 100th year of its glorious existence in the service of education. From a tiny sapling planted by Pt. Mehar Chand, a century ago, DAV College Jalandhar has blossomed into a mighty Banyan tree.

We extend our heartfelt gratitude to the Almighty in making this centenary epic journey possible. Congratulation to everyone, who has been associated and contributed in bringing it to its present zenith of glory. DAV College, Jalandhar sends warm greetings to all its alumni settled over the world and welcomes the new DAVIANS to alumni repository.

It is going to be a once in a life time event for all of us. This momentous occasion marks the 100th Foundation day of the college. We plan to initiate the befitting year long celebrations on this day.

I on behalf of Alumni Association appeal to all the distinguished Alumni of the college to register online or contact the following;
