DAV College celebrating its centenary year has brought a great discount gift to its students once again. The principal of the college, Dr. S. K. Arora said that the college has started the "Academic Achievers Scheme" last year, which has been made more effective this year, in which the academic students will get special financial facilities for their excellent results. For us, our students are the most important, and we want them to work harder to give them better facilities to encourage and inspire them, so college management is taking this important step.

Financial facilities to be given this year in various fields

1. For students seeking admission in first year B.BA, BSc, BCA, B.Com, B.Sc and scored 80%-85% marks in any board results in 10 + 2 will get 20% discount on college fee, students

receiving 85-90% marks will get 30% college fee discount, Meritorious students and students with 90-93% marks will be able to take advantage of 50% discounts on college fees and if the students bring more than 93% marks in their results, then the entire college fee will be waived.

(2) Students who are entering the XI and XII class have also been prepared to make financial benefits this time, in the board and college results, if students get 80-85% marks, then they will be given a discount of 25% in college fees. Students receiving 85-90% marks will get 50% discount in college fee, meritorious students with 90- 93% marks will be able to take advantage of 70% discount in college fees, students who score more than 93% will need not to pay college fee.

(3) If the students do not fall under the prescribed percentage capping, but the student has topped the school, then he will also get the benefit of this scheme. On bringing the first position in the school 5,000, 4,000 for the second position and 3,000 for the third position will be discounted on college fee.

(4) If the student has secured first place or gold medal in the university, then the entire college fee will be waived.

For the second position in the university, 75% discount on college fee will be available. Third, fourth and fifth university positions holders will be provided with 60% discount on college fee. Even if the student is included in the merit list of the university, he will also be given a discount of half college fees.

If the students studying in the college do top from college, they will also get a 40% discount on college fees, provided that their minimum marks should be 65 percent.
