

Career Counseling and Guidance Cell endeavors for the the holistic development of every student in the campus so that they can serve their community, society and motherland.

Keeping in view Students Focused Approach, the Cell provides career as well as psychological counseling to students. The counseling cell of the college begins with a significant role from admissions days by rendering valuable career guidance to students to help them to choose the right subject combinations in conjunction with their aptitude and attitude. Throughout the year, career counseling programs are carried as when the students needs any guidance from Career Counseling Cell.

Beside career, the cell also provides psychological counseling to students, addressing any behavioral problems or any other psycho-social problems/issues that they might have in their life in coordination with Department of Students Welfare. Career Counseling Cell is ready for any kind of help and guidance to students for any other problem that they might face, thereby smoothening their journey in the college and preparing them for their future life ahead to serve society, community and motherland.
